## BOOK SYNOPSIS

When siblings Dan and Hayley Daley inherit their late grandmothers derelict Victorian farmhouse, it seems like a dream come true. All they have to do is fix the place up and sell it for a tidy profit! Except--as anyone who has renovated an old house knows--things are never that easy. The walls are rapidly crumbling around them, the architect is a certified lunatic, the budget is spiraling...and then theres the disturbingly intelligent cow to worry about. On top of all this, the renovation is being featured on a daytime reality TV show, and as soon as Great Locations presenter Gerard OKeefe catches sight of Hayleys first-floor balcony, hes determined to woo her out of her ban on romance, whether she wants him to or not. Will Dan and Hayley survive and sell up? Or will the whole thing collapse on them like a ton of bricks? From bestselling author Nick Spalding comes a hilarious tale of life, love, and dodgy plumbing.

**BRICKING IT** - Are you looking for Ebook Bricking It? You will be glad to know that right now Bricking It is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
