BOOK SYNOPSIS

Everyone in town knows that Christmas in Twilight has a way of bringing lovers together . . . but will its magic bring this pair from “I won’t” to “I do”? Wearing a too-tight “Santa Baby” costume held in by a double pair of Spanx, Paige MacGregor runs headlong into a gorgeous, grey-eyed hunk of a long, tall cowboy. And not just any cowboy, but country-western star Cash Colton, visiting Twilight to perform in a charity concert. Most women would melt at his feet, but Paige knows all too much about self-assured men with cocky attitudes, so she tells him to get lost. Cash is in town, nursing his own broken heart, but Paige has knocked him off his feet. He’s convinced she’s perfect—someone to inspire his music and share his now-empty bed. True, he’s not marriage material, but he’s determined to convince her that they’re perfect together—at least for a while. But what he doesn’t count on is falling in love with the one woman who isn’t about to give him the time of day!
