## BOOK SYNOPSIS

This classic reference presents the history of interior design from prehistory to the present. Exploring a broad range of design styles and movements, this revised and expanded edition includes coverage of non-Western design and vernacular interior architecture and features 665 photographs and drawings (color and black-and-white). A History of Interior Design is an essential resource for practicing and aspiring professionals in interior design, art history, and architecture, and general readers interested in design and the decorative arts.
