BOOK SYNOPSIS

Prep for the current SAT with confidence. This SAT prep was designed for the current SAT and is good until the College Boards last official SAT administration in January 2016. Kaplans SAT Math Workbook is the complete test preparation tool that contains tips, strategies, and practice for students who want to score higher on the math section of the SAT. No other products on the market can match the quality and experience behind Kaplan's SAT guides. SAT Math Workbook includes in-depth coverage of all pertinent math skills and information, as well as effective score-raising strategies for building speed and accuracy from math experts. Not only does this tool contain everything a student needs to conquer the Quantitative Reasoning section of the exam, it also provides key information about the SAT in general, such as Kaplan's methods for answering multiple-choice questions and more. Kaplans SAT Math Workbook contains many essential and unique features to help improve test scores, including: * In-depth coverage and targeted practice for the SAT Math section * 2 realistic math tests with detailed answer explanations covering all parts of the SAT math section * Effective score-raising tips and strategies for building speed and accuracy * The top 100 math concepts * Proven methods for avoiding common math errors Kaplans SAT Math Workbook provides students with everything they need to improve their scores—guaranteed. Kaplan's Higher Score guarantee provides security that no other test preparation guide on the market can match. Kaplan has helped more than three million students to prepare for standardized tests. We know that our test-taking techniques and strategies work and our materials are completely up-to-date.
