BOOK SYNOPSIS

If you want to heal yourself--or others--how do you select the best way to go about it? A pendulum can tell you! Any object dangled by a string will do the trick. Dozens of the most effective therapies and cures in the world are listed in this unique book, so your pendulum can point out to you the best ones to use in every individual case. First, find out how to use the pendulum, identify its movements, and check its accuracy. Then go on to a series of detailed charts that list such complementary health and healing techniques as aromatherapy (with 144 essential oils!); the chakras; Bach flowers; teas, herbs (including Chinese and Native American); color therapy, gemstones, meditation; and more. Its the essential resource for anyone wanting to use this incredibly effective device. 96 pages, 11 3/8 x 8 1/4.
